Environmental, Health and Safety: A New Decade...

A New Landscape

Changes in governmental regulations, global economy, security threats, corporate and individual liabilities, workplace demographics, communication methods, and technology continue to impact the environmental, health and safety professional. The objective of this conference is to provide the attendees with insight and tools needed to face the challenge of the new decade and beyond.

8:00am **Registration
Continental Breakfast
Early Morning Networking**

9:00am **Welcome**

Susan Geier Fahmy, CSP
Lovell Safety Management Co., LLC
SENY President

Keynote Speaker

Robert D. LiMandri
Commissioner
NYC Buildings Department

Moderator: Jim Bifulco, Total Safety

An 84% decrease in construction related fatalities in 2009 comes as the Department obtained expanded enforcement powers, increased its oversight of high-risk construction operations and implemented new programs and initiatives designed to raise safety awareness throughout the construction industry. Commissioner LiMandri will discuss the successes of the past year and the challenges and strategies for continued improvement.

Refreshment Break

Establishing And Maintaining A Global Safety Program

Mitchel Weingarten, CSP
Global Director of EOHS
The Colgate-Palmolive Company
SENY Member

Moderator: Lew Booker, Unilever (Retired)

Mr. Weingarten will speak about establishing and maintaining a global safety program and process for The Colgate-Palmolive Company. He will focus on how to establish a corporate strategy, recruit partners in operational leadership roles, align goals with competing functions, develop resources and report and benchmark on Key Performance Indicators. This presentation will provide a truly global perspective on how to organize and continuously improve a company's safety processes.

Lunch

Managing Business Continuity Challenges In A Changing Safety Environment

Ira Tannenbaum
Director-Public/Private Initiatives Affiliation
NYC Office of Emergency Management

Moderator: Jim Carlino, FedEx

The New York City Office of Emergency Management (OEM) plans and prepares for emergencies, educates the public about preparedness, coordinates emergency response and recovery, and collects and disseminates emergency information. Mr. Tannenbaum will discuss OEM's approach to working with the private sector to ensure you have the resources and information you need

Professional Liability

Charles T. Glaws
Founding Partner
Gruvman, Giordano & Glaws, LLP

Moderator: Jim Foley

Professional liability is a growing concern for the EHS profession. Companies and individual practitioners are at risk of litigation alleging professional malpractice. Mr. Glaws will focus on liability exposure for construction safety consulting companies in general and site safety professionals in particular, with an emphasis on liability analysis in the Civil/Tort/Labor Law arena in New York state. The principals discussed have application to all EHS professionals.
